Article: **Ernie Bowls them Over**

## **Ernie bowls them over**

England cricket ace Andrew Flintoff joined the world's No.5 golfer, Ernie Els, to officially open his course at The Els Club in Dubai Sports City yesterday. Els couldn't hide his delight at finally seeing his desert dream come true after more than three years of work for him and his team. The big South African officially opened the course with a 290-yard drive down the first fairway.
